

PB 320ATS EVA

PERFECT BINDER

This entry-level perfect binding system is easy to use and provides consistent professional quality products for short to medium run applications. It is an affordable and efficient solution for your perfect binding needs.

The PB 320ATS EVA perfect binder features a 5" color touchscreen, large glue pot with applicator roller, disk application side glue, padding mode and book block glue trap setting. Other features include a 12 tooth milling cutter with 2 notching blades for excellent spine preparation, fully automatic clamping, built in dust extraction and more.

FEATURES

- Milling and notching blades are housed beneath safety covers to ensure operator safety
- Hot melt glue is applied to the spine and side by a rotating applicator drum
- Disk application side glue
- A scraper bar ensures that a smooth and uniform thickness of glue is always applied
- Nip dwell time can be adjusted to ensure professional looking finished pieces
- Independent lead and tail nipping pressure adjustments with digital readout
